

## **NAPLES PEDIATRIC DENTISTRY FINANCIAL POLICY**

- Payment for dental treatment is due at the time the services are performed. We accept cash, checks, and all major credit cards. We also participate in a financial payment program called Care Credit. Please call or ask at the reception desk for details.
- Unpaid accounts will become eligible to be submitted to our collection agency once they become ninety (90) days old. If your account must be turned over to our agency to be collected, there will be a forty percent (40%) collection fee added to the balance of the account.
- There will be a \$25.00 bank service charge for any check returned unpaid for any reason.
- In order to book a three hour appointment (required) for patients receiving oral conscious sedation, a \$200.00 deposit is necessary. That deposit will be deducted from the total fee charged for the appointment.

I have read, and understand the Naples Pediatric Dentistry financial policy:
